Updated continuously

QP Source Professional is updated continuously, ensuring you have access to the most up-to-date legislation.

Completely Searchable

QP Source Professional features powerful, easy-to-use award-winning ISYS search software that allows you to find the legal information you require accurately, efficiently and quickly.

Downloading Information

The legislation accessible through QP Source Professional is easily downloadable directly to your computer or disk as fully formatted files or as simple text files. All files can be viewed on your computer or printed. You can also copy specified sections or portions of documents and paste them into your word processor documents or clipboard for future referencing.

Training Assistance

Alberta Queen's Printer provides group training sessions throughout Alberta to subscribers interested in learning more about QP Source Professional. For users requiring immediate assistance, QP Source Professional features a comprehensive on-line help section and glossary as well as a dedicated e-mail address.

Annual Subscriptions

QP Source Professional is available to one or any number of users as part of an annual subscription. Ordering is fast and convenient - order online or by email, fax, phone, or mail.

Still have questions?
We'd love to hear from you.
